

A Roberval balances

for every trade

A REAL **GUARANTEE**

These mechanical balances require no particular maintenance thanks to the high quality of their parts.

Their apparent simplicity hides the precision, special equipment and know-how that goes into their manufacture.

FROM 2 TO 20 KG, A **ROBERVAL** FOR EVERY **TRADE**

Zwiebel offers a range of 14 models covering all types of weighing, up to 20 kg.

Several types of pans allow you to choose the balance that is best suited to your activity.

DAILY **PRECISION**

Thanks to Zwiebel's quality of manufacturing, our balance weighs with Class III precision.

THE **BALANCE FOR ALL** CONDITIONS

The Roberval is one of the few balances that can weigh objects up to 20 kg, whatever the location or the climatic conditions.

ENVIRONMENT FRIENDLY

For sustainable development purposes, we propose scales that can operate without batteries or electricity. These products, assembled in our workshops, combine energy savings, reliability and robustness.

MADE IN FRANCE

All our products are designed and assembled in our factory in France – a real guarantee of quality.
